

How to Install PDF Preset

- Download the **PDFX-4 SC.joboptions** file from the Supercolour Website.
- In your Adobe program, go to **Edit < Adobe PDF Presets**.
- Choose **Install** and select the **PDF-4 SC.joboptions** file.
- This will add this preset to your list of PDF presets available in your adobe program when saving a file as a PDF.
- Use this preset when saving files for use at Supercolour.
